Destigmatising Mental Health & Addiction

## We are still open for business!

Construction Industry Rehab Plan is now offering an expanded range of services. All our clinicians are Masters level trained, and use detailed professional assessments to match the right services to your specific individual needs.

## *“Do I have to pay?”*

No. The plan coverage remains the same as before, and treatment at C.I.R.P forms part of your local collective agreements.

## *“What services do you now offer?”*

- 1:1 Counselling
- Specialised Trauma Counselling
- Telehealth Services
  - Skype Counselling
  - Telephone Counselling
- Referral to residential treatment programs
- Day Program
- Family Therapy
- Groups
- Housing referrals (where appropriate)

## *“Is the House still open?”*

The house was closed down due to age and structural issues.

## *“Does that mean I can’t go to a residential treatment Centre?”*

Referrals to external residential treatment Centre’s will still be accommodated where appropriate.
